

Beijing+25 Regional Review Meeting

Geneva | 29-30 October 2019

Thank you for your support and participation in the Beijing+25 Regional Review Meeting!

#Beijing25 #equalfuture2030

For the first time, the strategic objectives of the Beijing Platform for Action can be linked to a time-bound framework – that of the 2030 Agenda for Sustainable Development. **Let's work together to turn the goal of gender equality into a reality by 2030.**

A quarter of a century after Beijing, not a single country has achieved gender equality. Beijing+25 and the global drive to achieve the SDGs provide us a unique opportunity to **accelerate efforts, strengthen our partnerships and mobilize all of society**, including all generations, to fulfill the longstanding commitments to women and girls.
