WHO WE ARE

The HerStory Campaign works with grassroots partners in 27 countries to listen to, amplify and champion the voices of girls through innovative after-school programming designed to cultivate modern literacy skills and foster self-advocacy. We work alongside key stakeholders to mentor girls to share their stories, advocate for themselves and transform their communities.

The HerStory Campaign is an initiative of Global G.L.O.W. and LitWorld, two 501(c)(3) non-profit organizations.
